Zela Aviation (www.zelaaviation.com) is the air charter company that puts the client in control. The client makes the decisions about the schedule, the aircraft type, the departure and arrival airport, the seat arrangements, and of course the on-board service.

Founded in 2006 Zela Aviation built its business from satisfied customer referrals continuing to grow through the recommendations of existing clientele forming the fundamental basis of how Zela Aviation operates. We are steadily expanding into new markets and new customers put us to the test with even bigger and more ambitious projects.

Zela Aviation is looking forward to continuing to provide consistent quality service to the Cypriot Travel industry for many years to come.
