➔ NEW OFFICES FOR ZELA AVIATION

Zela Aviation is very pleased to announce the opening of its new office in Cheshire:
**Suite 5, Second Floor, 3A Ruskin Road, Crewe, Cheshire,
CW2 7JR, United Kingdom, Tel.: +44 (0) 870 977 1777**

The Cheshire office will complement the sales team in Cyprus and London providing even more accessibility and support to Zela Aviation's clients throughout the country and across Europe.

Zela's New Achievements

Following a successful summer, Zela Aviation placed a number of Aircrafts in Europe and the Middle East and through strong developments in this area Zela Aviation is bringing in new staff to enforce the Sales & Marketing side of ACMI. We would like to introduce the newest team member, Andreas Pericleous who has joined the Cyprus office as an Air Charter Broker. Andreas comes from an Aviation background with a BSc in Air Transport Management, MSc in Marketing and MSc (by research) in Sustainable Aviation.

Zela works with a large number of carriers globally and an equally large number of Tour Operator clients. Through its established partnerships with these companies it has even enabled some of its customer carriers to grow into becoming major ACMI providers within Europe. The Zela Team has considerable experience in the field of negotiating both short and long term deals and has become an established 'first choice of partner' for many of the carriers they work with.
